My Vote WI

<https://MyVote.wi.gov>

Our goal is for all eligible voters
to be able to cast a ballot and
have that ballot counted.

Photo ID

Photo Identification Required

Wisconsin law now requires voters to present a photo ID before obtaining a ballot.

Your photo ID does not need to show a current address. Election officials will only be looking at the type of ID presented, the name, photograph, and the expiration date.

Absentee Ballot Requests

Mail/E-mail

Absentee requests sent by mail or email must be accompanied by a photocopy of an acceptable form of photo ID.

Once a photocopy is on file, you will not need to provide with future requests, unless you move or change your name.

Please read your absentee ballot instruction letter very carefully. We want your vote to count!

In-Person Absentee Voting

Absentee voters casting a ballot in the City Clerk's office must present a photo ID just as they would if they were voting at the polls.

Photo ID Exemptions

Photo ID is not required for the following absentee voters:

- Military voters
- Voters who are permanently overseas
- Confidential Voters
- Indefinitely confined voters
- Nursing home residents and other voters who have ballots delivered by Special Voting Deputies
- Residents of Care Facilities who are not visited by Special Voting Deputies

Hospitalized Voters

Hospitalized voters must appoint an agent to pick up their ballot from the Clerk's Office. The agent needs to bring their photo ID, the hospitalized voter's photo ID, and the absentee ballot request to the Clerk's Office. Please call 608-821-8350 for more information.

Provisional Ballots

Voters unable to provide an acceptable form of photo ID on Election Day will become provisional voters.

Provisional ballots are not counted

unless the voter provides the City Clerk's office with an acceptable photo ID by 4 p.m. the Friday following the election.
