CONSTRUCTION AND EFFECT OF ORDINANCES

30.01 RULES OF CONSTRUCTION.

In the construction of this code of general ordinances, the following rules shall be observed unless such construction would be inconsistent with the manifest intent of the ordinance.

(1) Wisconsin Statutes. The term “Wisconsin Statutes” and its abbreviation as “Wis. Stats.” shall mean, in this Code, the Wisconsin Statutes for the year 2015-2016, as amended from time to time. Future amendments shall be incorporated herein.

(2) Gender; Singular and Plural. Every word in this Code and in any ordinance importing the masculine gender may extend and be applied to females as well as males, and every word importing the singular number only may extend and be applied to several persons or things as well as to one person or thing; provided that these rules of construction shall not be applied to any provisions which shall contain any express language excluding such construction or when the subject matter or context of such provisions may be repugnant thereto.

(3) Person. The word "person" extends and applies to natural persons, firms, corporations, associations, partnerships or other bodies politic and all entities of any kind capable of being sued unless plainly inapplicable.

(4) Acts by Agents. When a provision requires an act to be done which may by law as well be done by an agent as by the principal, such requirement shall be construed to include all such acts when done by an authorized agent.

(5) City and State. Wherever the word "City" appears in this Code it refers to the City of Middleton, Dane County, Wisconsin, and wherever the word "State" appears it refers to the State of Wisconsin unless in either case the context clearly indicates otherwise.

30.02 CONFLICT AND SEPARABILITY.

(1) Conflict of Provisions. If the provisions of the different chapters of this Code conflict with or contravene each other, the provisions of each chapter shall prevail as to all matters and questions arising out of the subject matter of such chapter.

(2) Separability of Code Provisions. If any section, subsection, sentence, clause or phrase of this Code is for any reason held to be invalid or unconstitutional by any court of competent jurisdiction, such decision shall not affect the validity of any other section, subsection, sentence, clause or phrase or

portion thereof. The Common Council of the City of Middleton hereby declares that they would have passed this Code and each section, subsection, sentence, clause, phrase or portion thereof irrespective of the fact that any one or more sections, subsections, paragraphs, sentences, clauses, phrases or portions thereof may be declared invalid or unconstitutional.

(3) Every provision of this Code shall be interpreted whenever reasonably possible to be consistent with any preemptive state or federal law, rule or regulation. It shall further be presumed that compliance with any preemptive state or federal law is an exception to any conflicting provision of this Code.

30.03 CLERK TO FILE DOCUMENTS INCORPORATED BY REFERENCE.

Whenever in this Code any standard code, rule, regulation or other written or printed matter is adopted by reference, it shall be deemed incorporated in this Code as if full set forth herein and the City Clerk is directed and required to file, deposit, and keep in his or her office a copy of the code, standard, rule, regulation or other written or printed matter as adopted, except in such cases where another officer of the City has been specifically charged with the responsibility to file and maintain such document, in which case they shall do so to the standard above stated. Materials so filed, deposited and kept shall be public records open for examination with proper care by any person during the City's office hours, subject to such orders or regulations which the City Clerk may prescribe for their preservation.

30.04 PENALTY PROVISIONS.

(1) General Penalty. Whenever so provided in this Code, any person who shall violate any provision of this Code shall upon conviction of such violation, be subject to a penalty, which shall be as follows:

(a) First Offense-Penalty. Any person who shall violate any provision of this Code subject to a penalty shall, upon conviction thereof, forfeit not more than \$3,500.00, together with the costs of prosecution and in default of payment of such forfeiture and costs of prosecution shall be imprisoned in the County Jail or county house of correction until said forfeiture and costs are paid, but not exceeding ninety (90) days.

(b) Any person found guilty of violating any provision of this Code who shall previously have been convicted of a violation of the same provision shall upon conviction thereof, forfeit not less than \$50.00 nor more than \$3,500.00 for each such offense, together with the costs of prosecution and in default of payment of such forfeiture and costs shall be

imprisoned in the County Jail until said forfeiture and costs of prosecution are paid, but not to exceed six (6) months.

(2) What Constitutes a Separate Offense. Each violation and each day a violation continues or occurs shall constitute a separate offense. Nothing in this Code shall preclude the City from maintaining any appropriate action to prevent or remove a violation of any provision contained in this Code.

(3) Execution Against Defendant's Property. Whenever any person fails to pay any forfeiture and costs of prosecution upon the order of the Court for violation of any ordinance of the City the Court may, in lieu of ordering imprisonment of the defendant, or after the defendant has been released from custody, issue an execution against the property of the defendant for said forfeiture and costs.

(4) Wherever abatement or similar remedy provided by this Code or State statute for any violation thereof, and the costs thereof are authorized to be charged to the violator or assessed to property as a special charge or special tax, such costs may include a charge for reasonable administrative costs, if any exist, relating to the investigation, documentation, coordination of abatement and billing in an amount determined by the head officer of the City department responsible for enforcement. Unless specifically provided such administrative charges shall not exceed 15% of the cost of abatement.
